From Your Director of Missions...

For many months we have been praying for revival. The scheduled meeting times are approaching and by the time many of you read this, whether or not we have had revival will soon be evident. I have been praying that God will change His Church forever.

Keep praying for revival. Keep asking God to mold us into his image. If the church is revived, the lost will be saved. On the day of Pentecost, after the Holy Spirit had come in fire and power and a sound of rushing wind, The people in the city “came running” to see what was happening. If the church gets back her power, the rest will come running to Christ. When was the last time you saw people running to the church? In the words of the hymn, “Lord, send a revival and let it begin in me.”
