

What is Disciple Now?

DNOW is an exciting in town retreat designed to allow students to enjoy fellowship with other students while studying God's word and experiencing God at a new level. Students are broken up by gender and grade level and will spend the weekend in host homes provided by FBCB members. Each host home will have DNOW leaders to lead Bible Study. The goal of the weekend is to enable our students; through fun, fellowship and Bible study, to examine their relationship with God and to grow closer to Him.

What is the Theme?

The theme is "Vice- Versa." the goal of this theme is to encourage students to seek to be more like Christ and to focus on the positive traits and characteristics that they can follow and live in concordance with. Instead of always looking at all of the sinful and bad things that we as humans struggle with. This weekend will be an opportunity to strive to be more Christ like and worry less about what not to do.

When will registration begin?
