From the Pastor

I hope all of you have caught the excitement of our high-attendance Sunday and dinner on the grounds that will be held this Sunday. Myra Huckabee is doing a wonderful job as our Sunday School Director, and her enthusiasm is contagious.

I appreciate the efforts of our Sunday School classes to meet certain goals this week. A goal represents more than numbers; it represents people, some of whom have been irregular in their attendance and some of whom are unchurched.

I am looking forward to this Sunday as we strive for our attendance goals and also as we begin the Operation Andrew program. You will hear more about this in the morning service.

See you Sunday.

WAY OF THE MASTER CLASS

Well, folks, we are halfway through the course. What do you think?
Is this class what you thought it would be? It's different, isn't it?
Would you have ever thought you would be using the Ten
Commandments as a mirror to witness to friends and family? What
about the tracts? – Pretty cool stuff!

(Don't forget to give out your tracts this week, make them count –
we will be looking for some interesting witnessing experiences!

See you Sunday night. Tom, David, Myra, and Lauren

Sunday School Corner: Sunday School Olympics is finally here!
It's High Attendance Sunday! Let's glorify God by coming to Sunday
school to learn how Isaac persevered. Isaac sought God's will and
leadership in response to the conflict he was experiencing. God's
promises were fulfilled. Isaac said, "For now the Lord has made room
for us, and we will be fruitful in the land." God's Word is filled with
promises if we would only persevere. There is room for you and your
family in Sunday school. Come and learn to be fruitful in "our land".
Sunday school classes will be awarded with medals and framed
certificates for reaching high attendance goals. Let's make this a
glorious day!
