FROM THE PASTOR

As I mentioned last Sunday in my sermon, I am asking everyone to tithe on November 2; moreover, I am also challenging everyone to begin a lifestyle in tithing on that same day.

Tithing is a biblical concept; practically, it works. Going all the way back to Genesis and moving through the New Testament, the tithe is a consistent theme, an expectation of God's people that the first ten percent of a Christian's income belongs to God.

Tithing is the biblical prescription to finance the workings of a church. Whether a church is little or huge, it will remain monetarily solvent and viable if the people tithe. Ten percent is ten percent. Like boats on a lake, if the water level rises all of the boats will rise accordingly.

November 2 will be an interesting Sunday. I can't wait to see what happens. I can feel the excitement and enthusiasm building. Let's get serious about our stewardship of our resources. God has been so good to us all.

FROM THE MINISTER OF STUDENTS

This came over the internet to me and I thought it was important enough for all of us to read:

New drug in schools...this new drug is known as "strawberry quick". There is a very scary thing going on in the schools right now that we all need to be aware of.

There is a type of crystal meth going around that looks like strawberry pop rocks (the candy that sizzles and "pops" in your mouth). It also smells like strawberry and it is being handed out to kids in school yards. They are calling it strawberry meth or strawberry quick.

Kids are ingesting this thinking that it is candy and being rushed off to the hospital in dire condition. It also comes in chocolate, peanut butter, cola, grape, and orange.

Please instruct your children not to accept candy from strangers and even not to accept candy that looks like this from a friend (who may have been given it and believes it is candy) and to take any that they may have to a teacher, principal, etc., immediately.

Please pass this message on to everyone even if you do not have children in school. Parents should know about this killer drug. Grandparents, tell this to your family and friends.

October is World Hunger Month!

The rice bowls are available in the sanctuary building and in the social hall building, and the envelopes are in the pews.

Sunday School Corner: A big THANK YOU to all our teachers and classes that participated in Sunday School Teacher Swap. This was the first time to try this and I received many positive comments, however, I would love to hear from everyone. To accomplish this I will place a printed survey in each adult class this Sunday. It is multiple choice so can be completed quickly by each member. Please take a few minutes to do this for our Sunday School Department. I will place a box on the table in the vestibule behind the piano for you to place them when you have completed them. They will be anonymous (the only identifying information will be which class you attend). Thank you for your help with this. We welcome all

suggestions to help our Sunday School Department. See you on Sunday at 9:45am.
