Sunday School Corner: This week's lesson helps us understand that God wants us to have a better work life and satisfaction in what we do. We sometimes find ourselves frustrated and unfulfilled when we try to achieve the word's standard of success by using the world's methods. Let's see what King Solomon has to say about working smart. Remember Sunday school begins at 9:45am.

**Tuesday, June 24
From 2:00-7:00pm**

*Thank you for your calls, cards, visits, flowers, and especially the prayers. I could feel the presence of God with me. All the food was greatly appreciated also. Thank you! **Bobbie Buhle and Family***
