

Pass On the Passion

You have a passion for Christ and for following Him! Your passion drives you to want everyone to know about Jesus. One way you do that is by your personal involvement in mission action and prayer.

You can't "save the world" by yourself. Jesus prayed for God to guide Him to apostles, who then passed on their passion to others. Follow Christ and pray that God will show you someone who is ready to become involved in missions in your church. Pray for her for 30 days. Develop a relationship with her. Introduce her to the joy of missions through involvement! Tear off the commitment card and place it in your Bible to remember to pray for wisdom and passion as you serve Christ!

Commitment Card

I commit to Pass On the Passion to someone in my church!

I will help her discover ways to use her passion in missions involvement.

I will pray for her and will personally include her in my hands-on missions involvement.

I will provide a copy of *Missions Mosaic* so we can share our passion for missions.

Signed: _____

Here are some suggestions to help you reach out to your new friend:

- **Do NOT** begin the relationship by inviting her to your Women on Mission® meeting! The passion for missions is much larger than a meeting—it is a new lifestyle!
- **DO** develop a personal relationship with her! Get to know her and discover what her passions are!
- Share your dreams. Tell her about your passion for sharing Christ through missions involvement.
- Get to know her and understand her needs; discover the connection points you both share.
- Pray together! Use Prayer Patterns from *Missions Mosaic* as a guide (buy a gift subscription for her so she can have her own copy).
- Suggest interesting *Missions Mosaic* articles you can discuss as you talk on the phone and share prayer concerns.
- Invite her to join you in a missions project; show her how to put her passion into action.

We want to know about your new friend!

Tell us your story and share a photo of the two of you together. We will post your photo on a Prayer Wall in the WMU building in Birmingham so we can pray for you both regularly! Send photo and story to:
