Mission Trip 2008

New Orleans, Louisiana

We will be working with a ministry by the name of Celebration Church Community Outreach. This is a ministry that has worked in the greater New Orleans area for a while. Since Hurricane Katrina left her devastation, this ministry has fed over 350,000 hot meals and worked on more than 400 homes. They are now trying to rebuild their own headquarters and worship center where they will provide family care and spiritual and emotional recovery through counseling, seminars and other services. In addition to working @Celebration Church, we will be doing demolition on houses and buildings in the area that have been condemned.

We will also have time in the evenings (including Friday) to tour downtown New Orleans.
