#### **Mothering without guilt: A Mom's Ordinary Day Bible Study** by Jean E. Syswerda

Motherhood and guilt go together like peanut butter and jelly. You feel guilty for not making organic baby food, not keeping up with your scrapbook... and don't forget your cluttered house. Does it ever end? Yes, starting now. This study confronts guilt head-on. It will set your heart free to love, laugh, create, and cuddle, and to play and pray with your children. You'll meet new mentors--biblical women who model the possibilities of guilt-free mothering. As you confront your own guilt, be it over real failures or unrealistic expectations, you will find wonderful opportunities to connect with God. His love banishes all guilt and guides you into freedom in motherhood and all of life. Christy Miles will teach this 7-seven study. Member book \$6.00 Room 210

**Breaking Free: The Journey, The Stories** by Beth Moore leads you through a study of the Scriptures to discover the transforming power of Christian freedom. Beth uses Scripture to help identify spiritual strongholds in your life, no matter how big or small. She explains that anything that hinders us from the benefits of knowing God is bondage. Breaking Free is Beth's life message that she wants to share with you. First released in 1999, this updated version was taped live and has reedited Bible study content and testimonies. Faith Webb will teach this 11-session study. Member book \$13.00 Room 225/Choir
