

## **Worship Team Application – Band Member**

**As part of the audition process, you will need to prepare a song to play. It can be sacred or secular and can be with or without CD trax, however, we will not have an accompanist available. You will also be asked to play from a lead sheet / chord chart and improvise on a simple song if possible.**

**As with all auditions, we will not be able to use everyone. The purpose of this audition is to find players who can best enhance the current band and help to form any new band that may be added in the future. If you are not chosen to be part of the band at this time, please do not take it personally. I would ask that you continue to work on perfecting your craft. Continue to practice and play. As we continue to grow, additional spots may open up where you can be used.**

**You will receive a letter within two weeks of your audition with the results.**
