WE RECEIVED A NOTE!

Dear Roger, Avery, and all the Fellowship Church Family,

We want to thank you for bringing the "Potter's House" to Coronaca Baptist Church. We've been truly blessed by your preaching, singing and ministering. God's name was exalted and His love was truly experienced. It was a grand fellowship! Just think . . . what awaits us in heaven!

It was such a joy and such a blessing to see your smiling faces! We're excited about all the youth who are graduating this year! Congratulations!

Thank you, again, for a wonderful service!

We love you!

**A President Speaks on
Christianity**

In 1984 President Ronald Reagan addressed an ecumenical prayer breakfast. He opened his remarks with these words:

"I believe that faith and religion play a critical role in the political life of our nation and always have; and that the Church — and by that I mean all churches — has had a strong influence on the state, and this has worked to our benefit as a nation. Those who created our country — the Founding Fathers and Mothers — understood that there is a Divine order which transcends the human order. They saw the state, in fact, as a form of moral order, and that the bedrock of moral order is religion."

A NOTE FROM AVERY

Memorial Day . . . what a great time to think about what it cost to have the freedoms we have in this great country. Sunday was a great day as we remembered the price that was paid for our freedom in these United States. Most importantly though, we remember Christ who gave HIS life so we could have freedom in him.

Our schedules are getting busy and it is not even summer yet. The kids only have a few more days left in school and then the whirlwind of summer will begin. Summer camps, vacations, etc. will want to drive our schedules. I would encourage you to keep Christ first in your schedule for this summer. Don't forget us at Fellowship each week. It will be a blessing for you to be in the presence of the Lord in our worship.

Looking forward to Summer,

THE CHILDREN'S CORNER

These are some dates for parents to put on their calendars for children.

June 8-12: Vacation Bible School

June 23 - 27: - GA Camp

August 10: - Church-wide back to school blast, Saluda Shoals Park.

From Nate!

About 3:30 AM on Thursday morning, Austin Kate climbed into bed with me and Jaime. I heard... "Mommy? Mommy? I really need to give you something Mommy. Mommy?" My precious and exhausted wife who has gracefully moved our family across state lines, kindly asked Austin Kate if it could wait a few more hours. "No, Mommy. I NEED to give it to you now!" "Ok," Jaime said as she half opened one eye. "Here, Mommy," Austin Kate said as she placed a small plastic frog into her mother's hand, "fully rely on God, Mom". We both smiled, Jaime thanked AK, and we all went back to sleep.

Not only are we excited about our ministry here at Fellowship, we are excited about raising our girls here. In less than a week our five year old has learned the importance of outreach! We have already been truly welcomed and loved by so many of you. Get used to us because Jaime says we are never moving again!

Summer Missions Trip to Greenville, SC, August 3-8, 2008

Some people complain because God puts thorns on roses, while others praise God for putting roses among the thorns.
