## Women on Missions Update!

### WEEK OF PRAYER AND JANIE CHAPMAN OFFERING FOR STATE MISSIONS

You received a prayer guide for State Missions in your bulletin last Sunday. We urge you to pray daily for the missionary listed for that day. Our mission offering for State Missions is off to a good start by our Missions March last Sunday, but we still have a good way to go before reaching our goal of \$3,000. As you pray please pray about what you can give to further the ministry and message of Jesus within our own state.

**Samaritan's Well** is a place for mother's and children who are in transition. This home is located in Lexington County. They are in need of the items listed below in order to continue their ministry to these families:

Good Start brand baby formula, Baby wipes, diapers: sizes newborn, 1, 3 & 5  
Paper plates, paper towels, plastic utensils, paper cups

If you would like to help please put your items in the cardboard boxes marked Samaritan's Well.

**Fellowship Baptist Church Cook Book:** The WMU ladies are looking for your recipes. We have a group that will be working on this project and would love for everyone to share their family's favorite dishes. If you are interested in sharing your recipes please contact Anna Deal.

## See You at the Pole!

A small group of teenagers in Burleson, Texas, came together for a DiscipleNow weekend in early 1990. They came seeking God. Little did they know how powerfully God was about to move. On Saturday night God penetrated their hearts like never before. The students were broken before God and burdened for their friends. Compelled to pray, they drove to three different schools that night. Not knowing exactly what to do, they went to the school flagpoles and prayed for their friends, schools, and leaders. Those students had no idea how God would use their obedience.

On September 11, 1991, at 7 a.m., one million students gathered at school flagpoles all over the country. From Boston, Massachusetts, to Los Angeles, California, students came together to pray. Some sang, some read scripture, but most importantly, they prayed. Like those first students, they prayed for their schools, for their friends, for their leaders, and for their country. As in all great movements of prayer, "See You at the Pole" did not begin in the hearts of people. It began in the heart of God. God used the obedience of a small group of teenagers to ignite what has become an international movement of prayer among young people.

"SEE YOU AT THE POLE" is September 24, 7 a.m. at each school's flag pole. We often hear complaints of prayer being taken out of our schools; so here is our chance to lift up our schools in prayer, and make a stand for our faith in Jesus Christ at our schools. Watch the calendar for all of the SYATP events.

The GA's will be selling World Crafts as their mission project for this quarter. Your purchases of handmade World Crafts give artisans and their families around the globe hope for a better life.

Please stop by the GA room on Wednesday nights before 6:30 to browse the catalog and place an order. The catalog will also be available on Sunday mornings in the GA classroom. These crafts make wonderful Christmas gifts. For more information please contact Deborah Gleaton.
