

# FIRE PROOF YOUR MARRIAGE

## *Ephesians 5:21*

Marriage is a Covenant.

“Little foxes” represent those things that quietly destroy relationships.

Little foxes:

1. Disrespect
2. Inconsiderate
3. Ungratefulness
4. Financial Issues
5. Mobility - Moving a lot

Maintain the Biblical order.

Headship is not a title, it is a responsibility.

The dictator is not a role model for a husband.

Let's change the culture.

Let's love one another the way Christ loved us.

Let's make a commitment to build Godly homes.

Let's model a Christian marriage in front of our lost friends and family.
