

How Much Does It Cost?

It is our goal at MOPS to be affordable for everyone. The dues for 2006-2007 are \$65 if no childcare is needed and \$75 with childcare. We collect meeting dues to help pay for craft materials, MOPPETS, MOPS International dues, and operating expenses for the group. However, we do not want money to prevent anyone from joining our group. For those with sincere need limited financial assistance is available by application.

More About MOPS...

MOPS exists to meet the needs of every mom - urban and suburban moms, stay-at-home and working moms, teen, single, and married moms - moms with different life-styles who all share a similar desire to be the very best mom they can be!

MOPS is dedicated to the message that "mothering matters" and that moms of young children need encouragement during these critical and formative years.

Nearly 3000 MOPS groups are meeting across the United States and around the world, providing a caring, accepting atmosphere for today's mothers to grow and share their experiences with other women.

Home School MOPS

Home schooled children from K5-6th grade have the option to be involved in enrichment classes with the Ft. Mill area home school group while you and your preschoolers are involved with MOPS. What is MOPS?

MOPS is a program established for mothers with children ages infants through preschool. MOPS is an international, non-denominational, Christian organization serving to help all preschool moms make a difference in the lives of their families. We also serve Mothers of preschoolers who home school older siblings.

MOPS Offers:

- An opportunity to build friendships with other moms during meetings and outside activities.
 - Education about parenting, relationships, and womanhood based on Christian principles.
- Encouragement and support from other moms who are in or have been in the same situation.
- Time to express creativity and utilize talents in a variety of activities including craft projects and demonstrations.
- Discussion groups in which moms can express their thoughts, feelings, and frustrations in a supportive environment.

A Typical Meeting

MOPS meets every other Friday of each month during the school year. Meetings are held from 9:00 a.m. to 11:45 a.m. at First Baptist Church in Fort Mill. Currently, two MOPS groups meet on alternate Fridays.

Meetings begin after mothers drop off their children at MOPPETS. Moms socialize with one another while enjoying homemade refreshments.

During each meeting, we will have a creative activity and speaker sharing ideas relevant to this unique stage of life.

MOPPETS

MOPPETS provides a place for our children to meet in a safe, educational environment.

This preschool-like program is designed to teach our children Christian principles in a fun, loving atmosphere.

Their schedule includes a free play time, craft activities, stories, music, and snacks. MOPPETS is staffed by MOPS moms, and trained college students.
