

PRESCHOOL

(birth to Kindergarten)

Sunday

9:00 am

Sunday School

Preschool Sunday School includes age-appropriate Bible learning classes for Infants through age 5. We believe that teaching that is done with preschoolers is foundational and vitally important. The teaching is done through hands-on, fun learning allowing the preschoolers to experience Bible story conversation, verses and phrases from the Bible, and songs that teach spiritual truths. Our desire is for each preschooler to grow in the same ways Jesus grew (see Luke 2:52).
