

# Let Others See Jesus In You

by Owen Robertson

*(There are two people on the stage, standing side by side. One is singing the hymn "Let Others See Jesus In You.")*

**One:** Let others see Jesus in you.

*(Two sticks his tongue out at one, accompanied by a "NNNNN..." noise. One does the same to Two, then continues singing.)*

**One:** Let others see Jesus in you.

*(Two kicks One in the back of his leg. One hops around in pain, then stops and continues singing. Two is smiling in victory.)*

**One:** Keep telling the story,...

*(One pulls Two's hair back. Two lifts head to the heavens in a scream. One is now smiling.)*

**One:** Be faithful and true.

*(Two lunges at One's throat with both hands. One follows suit. They struggle for a moment, then the voice of God stops them and they look up.)*

**God:** *(Offstage)* I thought I asked you to cooperate with me. In order to cooperate with me, you have to cooperate with each other. *(One and Two join hands.)* That's better.

**One and Two:** *(Looking back at the audience)* Let others see Jesus in you.
