**Angela Moles**

Email: [angelam@hughesnet.com](mailto:angelam@hughesnet.com)

Angela is a very enthusiastic speaker who has a genuine passion for God’s Word. She thoroughly studies the Word and it is evident when she teaches. She has a way of bringing the truth of God’s Word to life and open your eyes to so many “jewels” that many of us overlook.

Angela is the pastor’s wife of First Baptist Church, Vienna. She has four children that range from the ages of 10 – 22 years. Her youngest son has Downs Syndrome and both of her daughters are adopted through foster care. She and her husband are currently hosting two foreign exchange students in their home.

Topics include: Anything you ask! Angela has not written any books or published any work, but if you give her a topic, she will thoroughly study God’s Word, filter it through the instruction of her pastor and present it to you with the same passion that God laid upon her heart. She simply loves to teach the Word of God!

**Kristi Neace**

Email: [neacekr@yahoo.com](mailto:neacekr@yahoo.com)

Honoring God through the teaching of His Word, and ministering to the different needs of women are two different areas Kristi has been called to serve. She not only has devoted her life to Christ, but has found Him to be her foremost passion.

Kristi has been married to Rick for 18 years, is a mother of three, an artist in her “spare” time, a Women’s Sunday School teacher, and has been on staff at First Baptist Church, Union for seven years. She is currently working through a three-year, in-depth Bible degree program through Faith Bible Institute.
