

Statement of Faith

"I affirm the 2000 Baptist Faith and Message which is consistent with the generally held doctrines that distinguishes us as Southern Baptists. I understand that the 2000 Baptist Faith and Message is not intended to be a creedal statement but rather a confession of faith that distinguishes us as Southern Baptists. Furthermore, I am in agreement with Missouri Baptist Churches being in single alignment with the Southern Baptist Convention and the Missouri Baptist Convention as stated in the Missouri Baptist Constitution (Article IV Section One)."
