Dear Suzanna,

The correct ratio should be 17:1. Would you mind sending me the link to the place in the web site where you found 15:1? Thanks! Kim

Subject: SACS Question on CR 2.8

Dear Ms. Bush,

I am working with Dr. Hanson on the SACS Writing and Editing Team. In the document I am currently working on, I have found a discrepancy.

According to CR 2.8, Francis Marion has a student-faculty ratio of 17:1. According to the General University Information page on the school website, Francis Marion has a ratio of 15:1. Which is the correct number?

Thank you for your help and I look forward to hearing from you.

Yours,
Suzanna Jackson
