Precious:

Listed below are the 2004-2005 IE Committee ratings for your unit's programs, based upon the IE reports submitted by your unit and the IE Ratings Criteria.

Multicultural Affairs: Neutral on Method, Mission, Changes in Place, Overall Rating, and SACS Standards; Weak on Results; and Strong on Planned Changes.

I've also attached a document, "Content of Excellently Rated IE Reports," that may be of assistance when preparing IE reports for future years. At a later date, I will be sending additional documents to aid in the IE Report preparation process.
