St. Nicholas Academy to Host Eco-Drama from January 5-9, 2009

(Louisville, KY) Stage One, Operation Brightside, and the Metropolitan Sewer District are teaming up to provide a week-long eco-drama for third grade students at each campus of St. Nicholas Academy. Stage One actors will use interactive drama to teach earth science and environmental studies. The eco-drama is research-based and tied to the Kentucky science curriculum. The cost is free, since it is underwritten by Brightside and MSD.

- Who:** St. Nicholas Academy 3rd grades
- When:** January 5-9
10:00 a.m., North campus; 12:00 noon, South campus
- Where:** North campus: 4333 Hazelwood Avenue, 40215
South campus: 5501 New Cut Road, 40214
- Why:** To introduce students to environmental studies and our impact upon the Earth. The week-long program uses solid science as well as drama to engage the children in five days of learning about the environment.
